Get to know your options

A Pension Wise appointment is a conversation between you and a pension specialist. You'll talk about the options you have for taking your pension money.

Your appointment will last around 45 to 60 minutes and we will:

- ▶ explain your pension options
- ▶ explain how each option is taxed
- ▶ give you next steps to take

Our guidance is impartial – we won't recommend any products or companies and won't tell you how to invest your money.
